## CAT5/CAT6 RJ45 Plug

Micronet high-quality RJ45 plugs, SP1111 and SP1113, are perfect for use with 10Base-T, 100Base-T, and Gigabit Ethernet network environment. The plug maintains high bandwidth and maximum data signal with its connection cables. SP1111/SP1113 is also designed in snag-less moldings for easy installation, so that the user can quickly configure it with its belonging cable into straight-through or cross-over cable with the minimum workforce and reduce much of network infrastructure building time.
